## Consent for Dental Treatment and Acknowledgement of Receipt of Information

State law requires our office to obtain your consent for your contemplated oral care and dental treatment. Please read this form carefully and ask about anything you do not understand. We will be pleased to further explain and discuss your concerns and questions.

I hereby authorize consent for oral and dental treatment that may include, but not limited to, the following: examination, radiographs (x-rays), diagnosis, dental prophylaxis (cleaning), fluoride treatment, restorations (i.e. fillings, pulpotomy, stainless steel crowns), anesthesia, oral surgery (extractions), interceptive orthodontic treatment and emergency treatment.

I understand that during any planned procedure, unforeseen conditions may arise that may necessitate treatment or procedures in addition to, or different from those originally discussed. In addition, although I am not advised that positive results are expected, the possibility and nature of complications cannot be accurately anticipated and, therefore, there can be no guarantee expressed or implied either as to the result of treatment.

Although their occurrence is not frequent, some risks and complications are known to be associated with dental or oral surgery procedures. These risks include, but are not limited to the following: nausea following anesthesia, numbness, infection, swelling, prolonged bleeding, discoloration, vomiting, allergic reactions, swallowing or aspiration of various materials (i.e. stainless-steel crowns), injury to the tongue, lips, cheeks, damage to possible loss of existing teeth and/or restorations (fillings), injury to nerves near the treatment site and fracture of a tooth root which may require additional surgery for its removal. I further understand and accept that complication may require additional medical, dental or surgical treatment and may require hospitalization.

### Integrated Health Screening Consent

ProHEALTH Dental provides a convenient, noninvasive chairside screening for critical clinical vital sign data that may reveal an undiagnosed medical condition. While this is not a definitive diagnosis of a particular health complication - it may indicate the need for further evaluation.

Screening includes routine blood pressure, blood oxygenation, diagnostic heart rhythm monitor reading and oral cancer screening and head & neck examination.

### Understanding this Form

I hereby state that I have read and understand this consent form, that I have been given the opportunity to ask questions that I might have and that all questions have been answered in a satisfactory manner. I understand that I have the right to be provided with answers to questions that may arise during the course of my treatment.

I further understand that I am free to withdraw my consent to treatment at any time, and that my consent will remain in effect until such time that I choose to withdraw it.

## Financial Agreement

Our goal is to provide the highest quality of dental care possible as well as a positive patient experience. Please see our financial policy.

**All accounts are due and payable at time of service.**

If a procedure requires multiple appointments, payment may be paid with a minimum of two payments or based on the number of appointments to complete treatment.

**Payment Options:**

- Cash
- Check
- Visa / MasterCard / Discover / AMEX

**Patients with Insurance:** The patient/guarantor is responsible for the **estimated** non-covered portion, procedures and/or deductibles at the time of the service. Due to insurance policy changes and/or necessary changes in treatment plans, the insurance coverage may vary from the estimated treatment calculation. I acknowledge this is an estimate only and that I, not the insurance company, am ultimately responsible for payment in full for all services not covered for any reason by my insurance.

**Parents not accompanying their child** to an appointment must make **prior** arrangements for payment (cash, check or credit card authorization). **Parents accompanying their children** are financially responsible for payment.

There is a processing charge for **non-sufficient funds** or returned checks.

As instruments, chairs and personnel are reserved exclusively for your appointment, there may be a fee charged for changed or broken appointment with less than 24 hours in advance.
